Due to the increasing number of online reservations from guests who simply do not show up, we are unfortunately obliged to ask you to pay a deposit of 10% of the amount at the time of booking. This can be done via the payment link on the confirmation or by bank transfer.

You now also have the option to select the cancellation fund when booking. With the cancellation fund, in the event of cancellation, 100% of the reservation fees paid will be refunded to your bank account.

Without a cancellation fund taken out with us, you will only be able to recover the costs incurred through your own insurance

The balance of the costs for your stay can be paid at the campsite. This can be done either in cash or by debit/credit card. You can do this upon arrival or, if you do not yet know when you will be leaving, for example due to the weather or other circumstances, at the time of departure.

If you would nevertheless like to pay for your stay in advance by bank transfer, this is of course no problem. We simply ask you to make the payment no later than 5 working days before your arrival, so that we can process your payment, especially from abroad, in time before your arrival.

We reserve the right to cancel your reservation if no deposit has been paid within the specified period.
